

Athena is on a mission to be the best **AI studying tool that helps students actually learn.**

We're looking for pilot partners who want to help shape what we build.

Pilot Highlights

Sponsor for your students at \$5/MAU

Versatile canvas integration: controls at account, subaccount, and course level.

Short-term contracts based on Average Monthly Active Users (MAU)

Interested in Athena, but not this structure?

Let's talk! We're building this with our partners and want to learn what model works best for you.

Partner Benefits

Frequent meetings with the Athena team for deeper collaboration

Webinars and onsite/face-time with faculty and students

Research studies

A real seat at the table to guide what we build

Book a meeting to talk with us today!
